

Five of the six contributions you cite as receiving no 48 hour notice (Continuing a Majority Party Action Fund, Every Republican is Crucial, MIKE PAC, People for the Enterprise Trade and Economic Growth and Rely on Your Beliefs Fund) were not received by Lynn Jenkins for Congress until well after the 48 hour reporting period. At the time these contributions were received by the Friends of Lynn Jenkins (then the Kansas-02 Nominee Fund), that committee was in no way affiliated with Lynn Jenkins for Congress and thus disclosure would have been in error. Therefore, a 48 hour notice was not required by Lynn Jenkins for Congress for these contributions.

The contribution from Brant Maller you cite as missing a 48 hour notice was received on July 19, 2008 and reported within 48 hours of receipt on the Form 6 filed July 21, 2008. The contribution was inadvertently dated July 31st on the Form 3 October Quarterly report. The date is corrected in the accompanying amended October Quarterly Report.
